About This Game

Story

The protagonist finds himself mysteriously transported to Terra, a fantasy world empowered by magical crystals. Not long after arriving does he run into Leanna, a Mage-Knight investigating rumors of concentrated energy in the area... which she learns is radiating from him! Together, they journey to understand how he got here and a way for him to return home. They soon discover that his arrival to Terra is more than just a coincidence!

Crystalline is a comedy-centric, fantasy adventure, visual novel with an intricate romance system. With hundreds of choices available, you can experience the storyline and interact with characters in a much more personalized way.

Key Features

Your Story

A choice heavy visual novel set in an expansive fantasy world. With hundreds of decisions leading to branching paths, a uniquely personalized story will unfold.

Full Relationship-Sim

Your decisions and behavior organically shape your relationships and what party members feel about you over time. A romantic bond may even be forged with one particular character!

Complete Voice Over

Crystalline features a full English voice cast for not only your main party, but also all side and extra characters.

Fully Animated Sprites

Crystalline features Live2D® technology to bring characters to life! Experience unrivaled immersion with facial expressions and body language all animated seamlessly.

Explore the world of Crystalline!
